Summer Term 2

Dear Parents and Carers,

We are immensely proud of the achievements of our students over the last year. Particularly those who have returned to mainstream schools and our Year 9s who will be moving on to KS4 in September.

Our students succeed because of the support they receive from you, and because of the dedicated support from our committed staff team. I am immensely grateful for your support and ask that you join me in expressing appreciation to our staff for all that they do.

Finally as we take a break for the summer, I would like to wish you and your family a warm sunny relaxing holiday.

With best wishes

Yomi Adewoye

Keeping Children Safe in SILS

SILS is committed to providing a safe and secure environment for children, staff and visitors. Safeguarding and promoting the welfare of children in our school is the responsibility of the whole school community. All staff receive regular training to ensure that we effectively discharge our duties.

Details of our procedures are set out in the schools safeguarding policy available from the school office or on our website at: www.silsschools.org

Should you at any time have concerns about yours or any child's well being or safety, please contact: Yomi Adewoye (Head teacher and Designated Person) or Sandra Howe (Deputy Designated Person) or Pollyanne Viller (Deputy Designated Person) at the school.

Punctuality

Pupils should arrive at School between 8:45am and 9:00am.

Breakfast Club is from 9-9.15am

Registration is at 9:15am. Any pupil arriving after 9:30am is given an unauthorized late mark.

Lateness

Pupils that arrive after 9:15, will go to the assembly hall for their first lesson.

Supervised by Ms Viller, students that are late will either complete the work that is from their lesson or complete pieces of homework from the homework pack

This Year at Sils3

Through out the year, we at Sils3 have again tried to provide our pupils with enrichment programmes that would help give them a more complete taste of life outside of Sils. Some of the programmes include:

- AHOY Power Boating
- Fire Brigade Course
- Bmx-ing
- Millwall Enrichment programmes and tournaments many of our pupils have taken part in
- Physiotherapy
- Year 9 Placements and Vocational tasters
- Pupil Reintegration.
- Lion King Performance.

Through out these pages, we would touch on these activities and see how the pupils interacted with them. In addition to these, for our year 9 pupils who are moving on to year 10 with us, we organised several vocational taster sessions in specialist fields to do with Carpentry, Music and Motor Mechanics. This was done to ensure a more seem less transition to Sils4 and year 10 whilst making sure the pupils make a more accurate judgement when deciding what vocational study to choose in year 10.

The AHOY

Remember,

If you think you can, you will

but

If you think you can't, you won't.

It is up to YOU no matter what others say

To push yourself and achieve your dreams.

The AHOY aims are to 'change lives through sailing and rowing'. A water based charity aiming to change lives and build life skills through sailing and rowing. Giving opportunities to disadvantaged and at-risk youths whilst also offering opportunities for disabled people to participate in activities on an equal level.

BMX-ING

They say
'Every wonderful journey begins with just one little step'

At Sils we encourage our pupils to push themselves, with out limits.

Ignoring when they are told they aren't good enough or they can't make it.

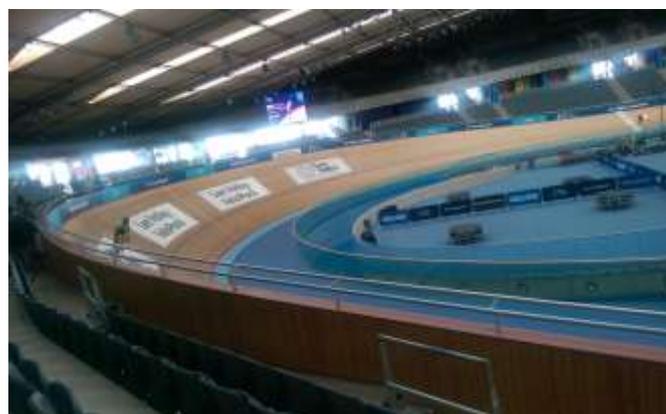

we say just one more step.

Little by little, you will get there.

For many of our pupils, this was the first time they had the opportunity to be in the very same Olympic cycling venue that witnessed many triumphs by British athletes. They were able to put their wits against other schools competing. Congratulations to Dean for winning most improved participant and Tia For winning silver for girls in the final.

An enjoyable day out for them and perhaps would encourage them to try new things and step outside their comfort zones.

Millwall

[Check out our re-vamped website!](#)

For the latest news about SILS, please visit www.silsschools.org

Through out the year, Sils3 has worked closely with Millwall Football Club which enabling our pupils to gain first hand experience of the levels professional footballers train and play at. With many of our pupils avid football fans, this relationship has been great for our pupils.

All the training sessions and skills learnt culminated with our pupils being invited to a football tournament organised by Millwall Football Club. Due to the pupils hard work, Sils3 were featured in the Southwark news Millwall Community Paper.

LONDON FIRE BRIGADE
making London a safer city

SILS 3 School Uniform

SILS 3 uniform consists of:

- Trainers/shoes
- Black or navy blue trousers/skirts
- Black, navy blue or white top.

Students should now have their new school top with the new SILS logo.

With our strong relationship with Life and the London Fire Brigade service, we secured a position for one of our pupils who expressed an interest in being a Fireman the opportunity to experience and learn some of the many important duties members of the London Fire Brigade partake in.

Our pupil Marvin was put on a fast course training containing activities that qualified firemen and women had to go through in order to carry out their duty of saving lives on a daily basis.

The Lion King

Some of our pupils were afforded the opportunity to go and watch the world renowned Lion King Theatre production at the Lyceum Theatre in the Strand. This was an activity which allowed them to enjoy a production that they have seen in cartoons but enabling them to see it via a different medium.

The pupils expressed how enjoyable they found it and some even queried how they could possibly become actors and actresses having seen the theatre production.

Vocational Tasters

In preparation for the Year 9 transition to Year 10 where a significant amount of time would be spent attending several vocational courses that we provide, all year 9 pupils were given a choice of vocational courses they wanted to attend.

These courses included Carpentry, Mechanics, Music productions and Millwall football training. This allowed them to be better equipped when choosing which in year 10.

Some of the pupils work have been taken home and the rest put on display by the organisations they had work with which in this case was NewStart.

Contacts

If you wish to discuss any issues regarding your child, please contact their tutor or a senior member of staff:

Reintegration

Here at SILS, our goal is to work with the pupils helping them reach a point where they are ready to return to mainstream school. Not only to return, but also be equipped enough to remain there for the rest of their student life.

To this end, I would like to celebrate the return to mainstream school of Ayesha, O'Shane, Kenan and Daniel. A testament to the hard work we as members of staff at SILS continually produce for our pupils.

Our vision:

A learning environment where students are inspired to achieve and develop into confident, resilient, responsible young adults.
