10	<p>The Year 10 Careers Programme will focus on Pre GCSE. As the year begins, we find student's determination to succeed hugely increases, along with their maturity as independent learners. To help foster this independence students at pre-GCSE will be taught how to revise and work independently through intervention sessions. This independence training will help our students to be prepared for the world of work and to link student academic experience with their future careers and aspirations.</p> <p>Year 10 will be provided with guidance on the range of pathways available to them beyond school, in addition, they will have the opportunity to have a meaningful workplace experience with a friend or family member.</p>	<p>Life skills - assembly and tutor group opportunities</p> <p>Career's interview</p>	<p>Life skills - assembly and tutor group opportunities</p>	<p>Life Skills - work experience preparation sessions</p>	<p>Building on experiences from previous years, all Year 10 students will attend an assembly introducing work experience, guiding students specifically on finding meaningful placements that will help them consider first-hand if a certain industry or sector is for them. Students will also engage with work experience, enrichment week and CV skills. This will be an exciting opportunity for students to really consider their future careers and what they can do now to help them access a certain career or industry in the future. Students will hear first-hand from those who have taken the apprenticeship route, as well as from students at Further Education colleges, and those who chose to go to university</p>	<p>Meaningful experiences with employers linking to the world of business in Career's</p> <p>Work with external agencies -work place expectations</p>	<p>KS4 •</p> <p>Leadership •</p> <p>Problem Solving</p> <p>Communication</p> <p><b>Growth</b></p> <p><b>Resilience</b></p> <p><b>Excellence</b></p> <p><b>Ambition</b></p> <p><b>Respect</b></p>
