SILS is an alternative education provision for secondary aged learners who are out of mainstream education due to a permanent exclusion or a number of other complex needs. SILS is a 'Good School', and our 'staff work collaboratively to give every student the chance to succeed' (Ofsted 2018).

The role

We are looking to appoint a committed Teacher of ICT to take on the lead role across our school. The successful candidate will have a track record of achieving outstanding outcomes and will be responsible for ensuring that Teaching and Learning in ICT has a high profile across the school.

The right candidate will be an experienced, qualified, highly driven ICT specialist, with the skills / abilities to deliver the curriculum up to GCSE or Level 2 BTEC at KS4. The position would be an excellent opportunity for an experienced teacher to take on a leadership development opportunity, for which a TLR2 allowance will be paid.

We are particularly keen to hear from candidates with a good record of work with pupils in an SEMH, AP or PRU setting (although mainstream experience only would also be considered).

We offer a supportive environment and we are committed to high quality professional development and continuous improvement in teaching and learning.

If you are able to inspire and motivate students in order to help them achieve their full potential and you can lead, inspire and bring ICT alive across our school, then we would like to hear from you.

Please note that informal visits are welcome. To arrange please contact Djedje Agui, Associate School Leader, on 020 75250370 or email dagui@silsschools.org

Information about the school and an application form can be obtained from the school's website at www.silsschools.org under Job Vacancies
