## Horse Care Enrichment at Ebony Horse Club Brixton

Every Friday for the past few weeks, I have been going to Horse grooming as part of enrichment. My favourite horse was Splash, he was very beautiful. We cleaned them, fed them and made their beds, it was great. We learnt that horses are different sizes and how they show people their moods.

**Kafiya, Year 9**

## SILS in solidarity with Ukraine

Since the Russian invasion of Ukraine in February 2022, here at SILS 3 we have been taking the time to learn about and discuss the war in Humanities and PSHE.

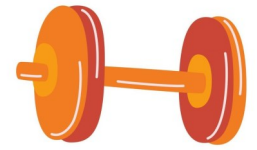

“I think the war in Ukraine is really sad and I think Russia is so evil to do this. The Russian citizens don't even agree with Putin's decisions. NATO has said if they start invading a NATO country, it is going to be a big war!” **PJ, Year 9**

“I feel so bad for Ukrainians, they don't deserve to be going through this.” **Rownel, Year 9**

## SILS 3 Gym Fundraiser

Our school and Dallagio Rugby Works did a sponsorship to raise money to equip our gym. Staff and students worked together by jogging, running and walking to help encourage people to donate. I managed to run around the playground 16 laps.

**Ivana, Year 9**

## A Play by Little Fish Theatre Company

On Friday 18th March, the Little Fish Theatre Company came to perform a play for us about sexism towards women. They demonstrated many different scenarios. It was very good, it was detailed and they were funny.

## Shellane's research project—Antigone

During a morning spent in Ms Adewoye's office, Shellane completed a research project focused on Greek mythology and the character of Antigone. Here is what she learnt about her:

- She is the daughter of Oedipus
- Her mothers name is Jocasta
- She is the sister of Polynices
- Antigone's father, Oedipus, married his own mother
