The role – teacher of English

We are looking for an experienced and inspirational Teacher of English to lead the delivery of an engaging language and literature curriculum across our school.

Building on the strong foundations laid by current teachers, the successful candidate will lead and drive collaborative work with other teachers to raise standards in reading, oracy and language development across our school.

We are particularly keen to hear from candidates with a record of outstanding GCSE results in English Language, English Literature and a second subject. We also want to hear from teachers with experience of work with students in an Alternative Provision, PRU or SEMH setting (although mainstream school experience will be considered).

The right candidate will have a passion for achieving high standards and high expectations for behaviour and learning. They will be flexible, cheerful and enjoy working with children, parents and staff. They will be willing to form positive relationships with pupils in order to support their personal and social development.

If you think you can make a difference to the lives of our young people and you are willing to work across our two sites, then we would like to hear from you. We will be happy to discuss enhanced remuneration or TLR for the right candidate.

Please note that informal visits are encouraged; and to arrange contact Pele Oladitan, Business Manager on 020 7525 1150 or email poladitan@silsschools.org
