### HEADTEACHER'S ADDRESS

Dear parents,

What a wonderful snowy end to the term! I am sure our students have loved it.

Within this newsletter you will find snippets of the amazing work and experiences over the last term. Well done to all students and the staff for their commitment and hard work.

We wish everyone a Merry Christmas and a Happy New Year.

Sincerely,

**Yomi Adewoye**  
Headteacher

## Food and Maths Business Project

Over the last few weeks, the maths department and Food Technology department came together in a cookery business challenge. Students were tasked with choosing a recipe, going out to the shops to buy their ingredients, making the food and then selling it to SILS staff. All three groups made back the money they spent, as well as some profit on top! Well done to everyone involved.

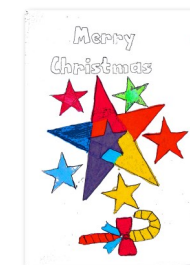

**TOTAL PROFITS OF  
£35**

"This term we completed our own business project through our maths and food technology skills. The project was to get the ingredients for brownies and fruit punch with £10. When we made the brownies, we placed them on the table along with the fruit punch jug and we made a sign. We made a deal and sold a brownie slice and a cup of punch for £1.50. I was the one who prepared the brownie in the bag and poured the drinks, and Samira was the accountant and made sure everyone paid the right price. " **Ella, Year 9**

## Christmas Card Competition at SILS

Every Christmas we hold a competition to see which student can design the best Christmas card. The winner is selected by Ms Adewoye, and the chosen card is used as the official SILS card. Have a look at the designs below:

This term I took part in the card competition. The main part of my design is a motorbike. I then continued adding more of a Christmas background and a bow on the bike. I really like the way the card looks. **Jimmy, Year 8**

## Globe Theatre Trip

*"Two households, both alike in dignity, In fair Verona, where we lay our scene..."*

In November Miss Estrella took a group of students to the famous Globe Theatre on the Southbank for a tour and a workshop. The tour focused on the history of the Globe, and the origins of Shakespeare's work. During the workshop the students looked at the play Romeo and Juliet as inspiration.
