

Lead teacher for ICT & Computing

Dates: Job to start **13th April 2026** (or earlier with agreement)
Salary: MPS or UPS + SEN1
Location: South London
Contract type: Full time
Contract term: 1-year fixed term

SILS is an alternative education provision for secondary aged learners who are out of mainstream education due to a permanent exclusion or a number of other complex needs.

SILS continues to be a good school (Ofsted, Jan 2024). *'Pupils thrive at SILS, because staff have extremely detailed knowledge of each student and have developed strong caring relationships with them'.*

The role

We are looking to appoint an enthusiastic and competent Lead Teacher of ICT & Computing. The successful candidate will have extensive knowledge and experience of teaching ICT and Computing and will share our school values – *Growth, Resilience, Excellence, Ambition & Respect*

This is a full-time role. The right candidate will be a specialist, with the skills and abilities to lead the delivery of the ICT and computing curriculum up to GCSE or BTEC level at KS4. The position would be an excellent opportunity for an experienced teacher to take on a leadership development opportunity and we are particularly keen to hear from candidates with good record of work with pupils in an Alternative Provision or SEMH setting (although mainstream experience only would also be considered).

We offer a supportive environment and we are committed to high quality professional development and continuous improvement in teaching and learning.

If you are able to inspire and motivate our students and able to bring ICT alive across our school, then we would like to hear from you.

Please note that informal visits are encouraged. To arrange please contact Pele Oladitan, Business Manager on 020 7525 1150 or email poladitan@silsschools.org

Information about our school and an application form can be obtained from the school's website at www.silsschools.org under Job Vacancies

Closing date: Tuesday 17th March 2026, 12 noon.

Interviews: Week of 23rd March 2026

SILS is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. An enhanced DBS check is required for all successful applicants.
